## WHO WE SUPPORT

# crmc.

FOUNDATION

Supporting the CRMC Championship means **supporting charity** and with our partners we have raised **\$245,000 and counting.**

Net proceeds are directed to the Cuyuna Regional Medical Center Foundation which provides financial assistance to area patients and supports the purchase of latest technology to improve resident's health and save lives.

*The Babinski Foundation*

In 2024, the Babinski Foundation partnered with us to host a heartwarming pet adoption event during the CRMC Championship. Our mission was to raise awareness about homeless pets in our community and their need for loving homes, while offering spectators the unique and uplifting experience.

In 2024, Smiles for Jake joined us with a delightful pancake breakfast to help spread their uplifting message and raise awareness about their mission to promote mental health and positivity within our community.

## CRMC CHAMPIONSHIP

# COMMUNITY CENTRIC

The CRMC Championship is more than a golf tournament—it's a celebration of community. By partnering with local organizations, hosting family-friendly activities, and supporting meaningful causes, the event brings people together to create lasting connections. From local vendors to charitable initiatives, the championship showcases the heart of the Brainerd Lakes Area while making a positive impact on those who call it home.
